

**2018 AUSTRALASIAN
POLICE & EMERGENCY
SERVICES GAMES**
MANDURAH · WESTERN AUSTRALIA

The City of Mandurah is so proud to host the 2018 Australasian Police and Emergency Services Games.

I have travelled a lot and am so proud to call Mandurah home, it's such a special place to live in and visit.

We've undergone a huge amount of change over the years – growing from a small seaside village to now being Western Australia's largest regional city.

Like you, our people recognise the importance of healthy, active lifestyles and what better place to engage in this than Mandurah with its stunning natural waterways and coastal foreshores, and recreation facilities.

Bringing events like this to our special part of the world is part of the City's ongoing goal to attract major sporting and cultural events to Mandurah.

So much hard work goes on behind the scenes to bring the Games to Mandurah, so we thank everyone for their input and dedication to making this happen.

We cannot wait to welcome the competitors, spectators and event organisers to the championship, and show our beautiful city to everyone.

If this is your first time in Mandurah, I truly hope that you enjoy our beautiful city as much as we do. There's so much on offer before, during and after your competition that we hope you enjoy.

Best wishes and good luck to everyone involved and we hope to see you in Mandurah from 28 October to 3 November 2018.
